## The Centennial Roster of C.H.S. Alumni

In this one-hundred year alumni roster names have been included as they have been found in school records and in student yearbooks. Classes are listed in chronological order from 1855 through 1895. But from 1896 through 1949 dates have been omitted, and classes are not in year by year arrangement. Instead class groups are placed at random, some being out of position by as much as ten years. The classes from 1950 through 1954 are in order. In all classes membership is intact.

# Foreword

The first purpose of the 1955 Arrow is to tell the annual Chillicothe High School story of activities from last fall to the closing days of spring.

The second purpose is to recognize Principal John A. Smith upon his completion of forty-seven years' service to Chillicothe High School as a teacher, moreover as a principal.

Another purpose is to tell something of the Chillicothe High School story from 1855 to 1955. Various materials of historical interest will be found from place to place in this book.

The Arrow Staff felt that a party to honor Mr. Smith and to celebrate the Chillicothe High School Centennial birthday was the order of the year.

So, the staff has prepared this edition in a party spirit rightly to observe the fine work of a principal and a centennial birthday.

*John A. Smith*

**PRINCIPAL JOHN A. SMITH**

Upon graduating from Ohio Wesleyan in June, 1908, Mr. Smith sent this picture to Chillicothe School Superintendent Fred E. Kirkendall with an application for a teaching position at C. H. S.

In 1908, Mr. Smith in his first year as teacher reorganized the C.H.S. Cadets. The work was military training. Mr. Smith was the commander. (He is standing at far left in front row.) Many boys who trained this way later served in World War I.

In October, 1946, Chillicothe celebrated its Sesquicentennial. On Saturday the C.H.S. Alumni Association climaxed the week of festivities with a reunion at the High School. Through their spokesman, school board member Mr. Arthur Howson, the alumni, with the enthusiasm of an ovation, presented Mr. Smith with a fine living room chair.

On his birthday, September 14, the C.H.S. faculty informally presented Mr. Smith with a lamp. Shown with him are Miss Ina Allen and Miss Alice E. Myers.

## Guest of Honor....Schoolme

The name of John A. Smith exemplifies many qualities and virtues in school work and in citizenship.

His life of hard work—plied in almost unvarying routine—began in his rural boyhood home near the village of Graysville in Monroe County. His lifetime work with books and students began when he entered the first grade in the community one-room school. After Son John completed the first eight grades, his father sent the fourteen-year-old boy to the Ohio Wesleyan University Academy for his high school training. This four-year course the young scholar completed in two years. Thereupon he enrolled in Ohio Wesleyan University as a full-fledged freshman. Taking his major work in physics, chemistry, and mathematics, he was awarded his Bachelor of Science degree cum laude in June, 1908.

While at college in Delaware, he met Miss Eudora Ruth Davis, a native of that city, who became Mrs. John A Smith in 1909.

In the summer of 1908 John A. Smith came to Chillicothe to teach science in the high school at the West Fifth Street building. While on this job he designed new chemistry laboratory tables and reactivated the military unit known as the C. H. S. Cadets.

When the C. H. S. principalship became vacant in 1914, John Smith forthwith went to Superintendent Frank J. Prout and convinced the newly promoted head of Chillicothe schools that the new high school principal

Presley Caldwell was a member of the first C. H. S. class to graduate under Mr. Smith's principalship in 1917. Annalee Caldwell, daughter of Presley, graduated in the 1955 class under Mr. Smith. The picture shows them looking over some reminiscent material.

For years and years Mrs. Smith has seen her husband off to work early each morning for leaving the house at 257 South Hickory Street to catch the bus to school. The time is 8:40 a.m. — promptly.

## Citizen

should be John Arvin Smith. The initials J. A. S. have appeared on countless office forms to C. H. S. students and faculty members for forty-one years.

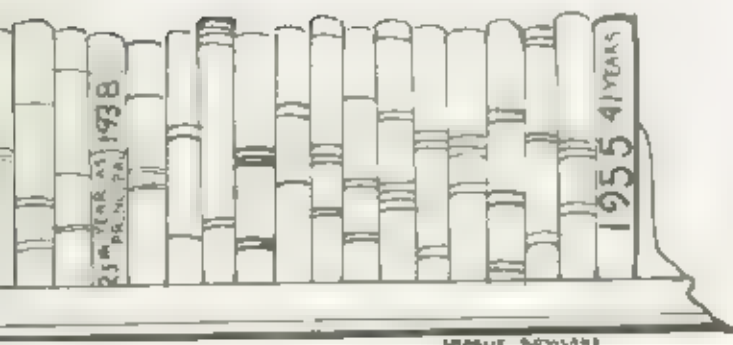

Principal and Citizen Smith has entered into many community activities. He is credited: an early member of Kiwanis, president in 1940; a long-time Sunday School teacher and member of the Board of Trustees of Walnut Street Church; a member of the Board of Directors of the Y. M. C. A.; a member of the Board of Directors of the Public Library; a member, four times president of the Council of Social Agencies, and a member of the Sunset Club.

During his years as principal of C. H. S. Mr. Smith has taken time to teach a "third-period" class in United States History. History has been his great hobby as well as his teaching work. The life of Andy Jackson and the history of the Civil War are subjects par excellence. Numerous times Chillicothe clubs have listened to J. A. Smith lecture on history and foreign affairs. His daily conversation, his class discussions, and his lectures are frequently sparked by anecdotes drawn from his Monroe County and his Chillicothe experiences and his extensive reading in history.

The many ovations and honors which have come from Chillicothe organizations to Principal "John A." and Citizen Smith attest to his qualities and virtues practiced most steadfastly.

The second Honor Citizen of the Month was John A. Smith named jointly by the Chillicothe Junior Chamber of Commerce and the production agency of the series of monthly professional talent shows, The Best Is Yet To Come. The award made on the C. H. S. Auditorium stage in September, 1958, was the Golden Rule Honor Citizen Pin.

The High School faculty and the school administration held a reception and dinner honoring Mr. Smith at the High School Cafeteria September 24, 1955. Mr. Donald Gatchell, as spokesman, presented Mr. and Mrs. Smith with a television set.

## Special Guests - Board of Education

The success of our present and future schools rests upon the Board of Education. Each year brings a bigger and newer challenge to those members to keep our school system among the best. We students, in appreciation, owe the board members a vote of gratitude for the giving of their time and knowledge for the betterment of our school system. Mr. Worf is president; Mr. Hixon is vice president.

## Office Personnel

Time, co-operation and willingness have gone into the secretaries' work this year.

Their time has been filled with state reports, financial problems, records, and other jobs throughout the year.

Their work is greatly appreciated by everyone

Miss Sally Cochran, Secretary to Mr. Smith

Miss Leona Hess, Clerk of the Board of Education

Mrs. Tom Clark, Secretary to the Superintendent

Mrs. John Barnes, Secretary to the Superintendent

## Superintendent

Mr. Berry is known as the hard-working superintendent of the Public Schools of Chillicothe. He has demonstrated his hard work again this year as in previous years.

Some of his many duties consist of planning expansion of the school plant, buying textbooks, filling the faculty posts, and visiting frequently with his teachers. He is active and very much interested in his duties as superintendent. He is equally interested and active in community and state wide affairs.

All C. H. S. expresses appreciation to Superintendent Merrill M. Berry for his effort and work in helping the school run on an even keel.

Mr. Merrill M. Berry, Superintendent

Board Clerk Miss Hess, Board President Harry Wort and Superintendent Berry inspect the blueprints for a classroom addition to the Mt. Logan building.

Mr. Ellis B. Hatton  
co-ordinator

Mr. Ellis B. Hatton in 1954 became the first co-ordinator for Chillicothe schools. From his office in the West Fifth Street building, he works with all of the city schools.

Nearly all of the following extracts of high-school history are taken from the Chillicothe Gazette files. A few of the more recent are taken from the Mound-Builder files.

**June 9, 1855** Editorial appeared in Chillicothe newspaper for a three-hour school day. A six-hour day is too much — exerts a ruinous influence on children. It taxes the brain morally, physically, and intellectually. — William L. Ceandall.

## Freshmen in 1955

**Toni Clark**, vice president, **Jo Cropp**, secretary; **Bob Evans**, treasurer; **Don Hall**, president

Approximately four-hundred Freshmen entered the halls of Chillicothe High School at the beginning of the year, climbed the stairs to third floor, found their session rooms, received their schedules, and proceeded to "climb the class ladder."

First week found the Frosh, with arms full of books, running to make their classes before the bell, and sometimes, much to their embarrassment, walking into the wrong rooms.

After overcoming the difficulties which arise when entering a new school, the Frosh settled down to the even routine of C. H. S. The four-hundred voices could be heard at the football assemblies, proudly giving their own class yell, or at the game cheering our team on to victory.

Now, the Freshmen, after having "climbed the first step on the ladder," slowly and a little regretfully, after all the fun of the year, step as sophomores to become a "wise fool."

## Freshmen Hi-Y

The Freshmen Hi-Y Mount Logan club meetings were attended by fifteen interested boys who learned how to conduct a proper meeting. Their officers were President Eddie Frey; Vice-President Dave Finley; Secretary Charles Queen; Treasurer Don Hall. Their advisors this year were Mr. James Rauck and Mr. Bill Wiseman.

A number of meetings were taken up with organization work. However, other

meetings were given over to the showing of football movies, various speakers from Chillicothe, and a joint meeting with the Freshmen Tri-Hi-Y club.

On the social scene, the freshmen boys sponsored several basketball dances and swimming parties at Greenfield.

All the boys enjoyed the activities and showed by their enthusiasm that they are looking ahead to their Sophomore year.

Some of the activities of the Sigma Chapter were: a wiener roast, a swimming party at Greenfield, a Christmas party. The whole group attended the Chillicothe-Portsmouth basketball game. A skit was given at a joint meeting.

## Freshmen Dramatics

Every Friday, the sixth period, more than one hundred freshmen, interested in dramatics, assemble in room 108 to learn, among other things, poise and self-confidence before a group. During this year, these freshmen have had experience in recording and working with scripts from: "A Date With Judy," "Life

With Father," "The Corn Is Green," and many others. Several members represented their class in various dramatic programs.

The Freshmen feel that they have learned much in the field of dramatics and hope that they will prove to be a credit to C. H. S.

## Freshmen Basketball

The CHS Squires finished the season with an impressive record of ten wins and four losses. Coach Paul Faehl is congratulated for his excellent work with this team.

In tournament play at Zanesville the Squires lost a thrilling game by a two point margin, 58 to 56, to Grover Cleveland. Nevertheless, they made a comeback by winning the Newark Junior High Championship, players of the seventh, eighth, and ninth grades being eligible.

In the semi-final, they defeated Newark Roosevelt, 48 to 37, and advanced to the finals, where they defeated Newark Central, 59 to 48, for the championship.

David Hannah led the team in scoring as he made 158 points for an average of 11 per game. He was followed by Bill Fisher with 141 points.

## Squire Football

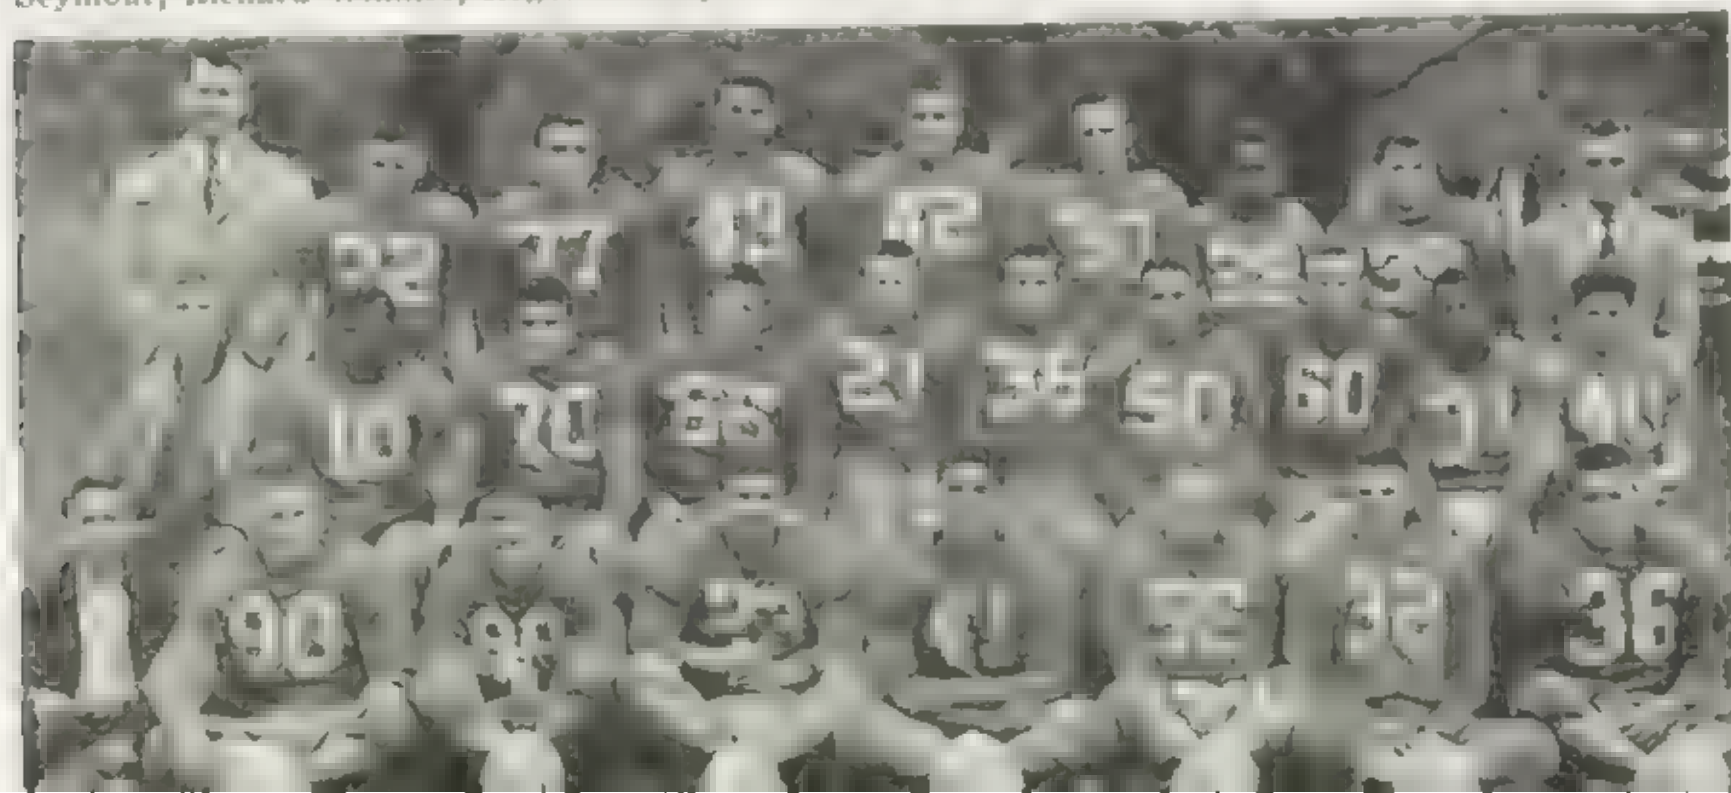

The Chillicothe Squires completed their 1954 football with a six-won, one-lost record. They were handed their only defeat by Circleville. However, when the Squires met Circleville later in the season at Herrnstein Field, they retaliated to down Circleville to the tune of 14 to 7.

Mr. Richard Dolan coached the backfield while Mr. Curry coached the line. The squad was composed of twenty-four freshmen who played offense. Sophomores from the varsity squad played defense. The efficiency of this plan was well proven by the season's record.

# C.H.S. for 100 Years

Voluminous annual reports by the Union School superintendents and principals during the 1860's, 1870's, and 1880's, plus information furnished by Chillicothe residents with enthusiasm for local history provide the source for this condensed history of C.H.S.

This bit of a summary is quoted from the *Annual Reports of the Principals and Secretaries of the Chillicothe Union Schools for the Year Ending June 21, 1867*:

## Historical Sketch

### 1867 — Annual Reports of Chillicothe Union Schools

"By the great fire of April 1, 1852, the records and official papers of the Board of Education, of the Chillicothe Public Schools were all destroyed. In consequence, all knowledge of the previous history of the schools is lost."

from tradition; definite and minute information is not attainable at this date. It is ascertained, however, that the Public Schools of this city were organized about the year 1849, under what is known in school legislation as the 'Akron Law.'

"In the beginning, the schools were imperfectly graded and housed in rented tenements — old churches and other buildings ill adapted and unsuitable.

"In the year 1850 the building sites were purchased by the Board of Education — one in the west end of the city (the lot now occupied by the Western Building), one was near the present railroad depot, and by authority of a popular vote, bonds were issued to provide means for the erection of permanent and suitable school homes. In 1851 a part of the present central school-ground was leased from the 'Trustees of the Chillicothe Academy,' and by the end of the year three buildings were in process of erection."

"At that period the superintendent was Daniel W. Hearn. High School for Boys, on Main Street, Thos. C. Hearn, principal. Wm. Baird, ass't.

High School for Girls, on Main Street, Sarah M. Burnside, principal.

A later report gives more light on the early schools.

"In 1853 Central Building was ready for occupancy, and the High Schools were transferred thither. Mr. O. T. Reeves was principal of the male department, and Miss Sarah A. Lawes of the female department in 1874."

For reason not on record the office of General Superintendent was dispensed with in 1854. It was not re-established until 1874.

School reports say, "Nothing worthy of note occurred in the school history until fall of 1861, when the whole male force, principals and assistants resigned to enlist in the war for the preservation of the Republic."

Schools were then taught by the ladies. For some years thereafter a much debated question of pedagogy was the effectiveness of women teachers in the matter of presenting subject mat-

ter and of handling discipline. The report to the board of education concedes that women teachers were satisfactory, but their techniques were less dependent on sheer force and strength than those of their male colleagues.

In 1867 Chillicothe found that the East Main Street school was too dangerously close to the railroad. By popular vote of the residents the board of education was authorized to purchase two acres on the west side of Bridge Street between Second and Main Streets. The land and the building represented an outlay of some \$75,000. In 1872 Eastern Building was first used as a school.

Another paragraph from the 1872 annual report gives facts about the "Union" schools existing at the time.

"The Chillicothe Union Schools is accommodated in four large, commodious and handsome brick buildings erected at a cost of about \$100,000, and situated as follows, viz: The Central on Paint Street, west side, south of Fifth; the Eastern, on Main Street, near the M. and C. R. R. Depot; the Western, on Chestnut Street, west of Church. Each building is placed upon a large lot. (That of the Central comprising one acre, and the others two acres each; in healthful and otherwise eligible sites.) The fourth, or new Eastern Building, is situated on Bridge Street, west side between Second and Main."

The "Old Central Building," which predated the present elementary building at the corner of South Paint Street and Sixth Street, was the high school until 1901. It was condemned. For two years on a temporary basis prior to the erection of the West Fifth Street building, high school was held at the Eastern Building. The third floor was the high school. There was no place else to have school.

High school classes for most students were held in the morning. If a student carried advanced Latin, he returned to school in the afternoon.

Today a vestige of the "Old Central Building" stands behind the Public Library building. This remaining part of some three small rooms is still a storage center for school supplies.

"Old Central Building" was made of brick with stone trimming. A study hall was constructed on three floor levels, presumably to enable a teacher to watch the students at some advantage. The superintendent's office was in this building. His office hours were 8:30-9:30 A.M. and 1:30-2:30 P.M.

The site of West Fifth building a century ago was a private seminary, probably a female school. It provided kindergarten and elementary training. The Union schools purchased this land, after "Old Central" was condemned. West Fifth was the high school between 1901 and 1931. Continued growth of the city necessitated an additional school building.

The site selected in the late twenties for the new high school was a site of some twenty acres. It was a part of the old Ross County Fairgrounds on the northwest corner of Arch and Vine Streets. In 1936 the Herrnschein Memorial Football Stadium was built. In 1939 a supplementary Industrial Arts Building was added to the high school plant.

In 1867 there were 500 pupils in all grades, in 1955 there are 5200. In the 1855 graduating class there were about four; in 1955 there are 198.

April 5, 1871 — Eastern School Building is being built.

June 23, 1871 — First School was held at Chillicothe, Ohio, at the Ross County Fair.

September 4, 1872 — Miss Douglas's girls' school begins on Monday, September 9.

# Sophomores in 1955

## SOPHOMORE CLASS OFFICERS

Bill Rice, treasurer; Anne French, vice president; Jo Ann Lee, secretary; Skip Hildebrand, president.

On the second floor each morning between 8:00 and 8:30, some 361 sophomores can be found rushing for their session rooms to get an assignment they forgot to do the night before, brushing up on Teach Clinton's geometry assignment, or adding the finishing touches to a World History project. There is a general excitement in the air—someone passed his driver's test yesterday—au-

tobiographies are due in English class in only two days—tryouts are announced for M-B and Arrow staff—revue auditions called. Some happened to be talented and lucky enough to make the grade. Class party tomorrow night—"Y" meeting at 7:30.

All these activities helped to make the Sophomores wonder if there was anything quite like being a "wise fool."

Sixth period every Thursday, between seventy and seventy-five energetic sophomores crowd in to Room 108, to be instructed in dramatics by Mr. Charles Duncan.

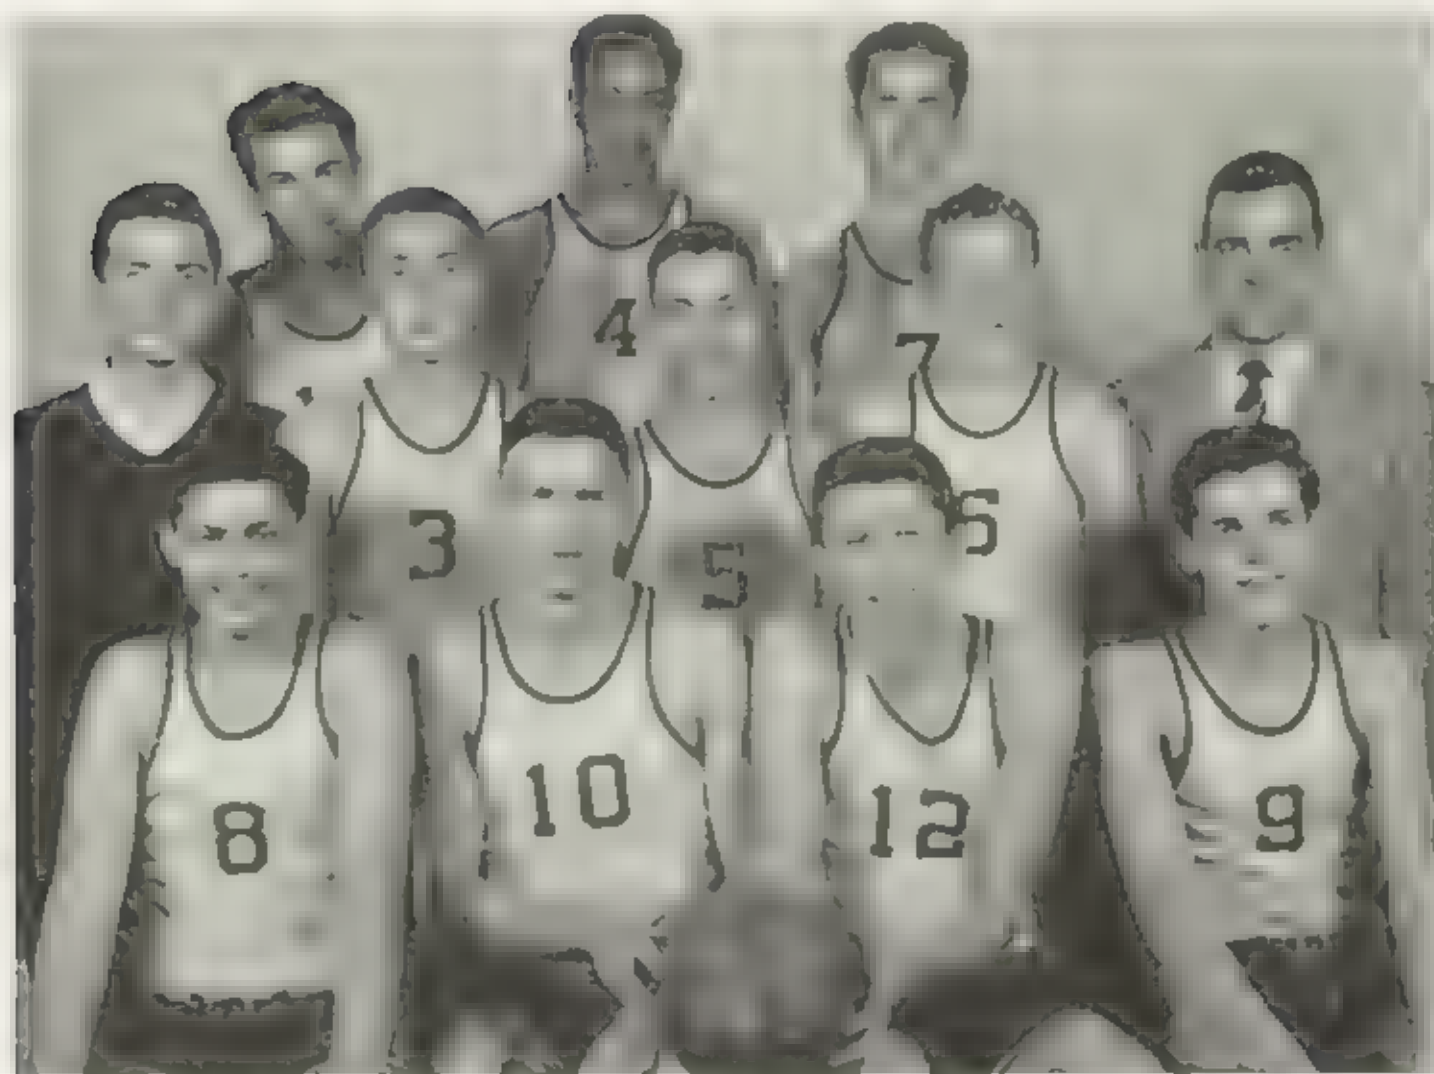

Although some of them were not the most talented, they enjoyed using the microphone and making tape recordings. They practiced scripts as "The Man Who Came to Dinner," "Stage Door," "Life With Father," and "The Royal Family," plus many more.

The sophomores worked hard to improve their diction. Some appeared in the annual revue.

In thirty seconds inside Room 208 the English exam begins.

The C. H. S. Reserves closed the season with an admirable record of ten wins and three losses. None of their losses were by more than four points. Probably their most thrilling game was a double overtime loss to Zanesville, 57 to 55.

High scorer for the season was Frank Cooper with 131 points, who had an average of 10 points per game. He was closely followed by Bill Huff with 120 points. John Irwin and Gordon Mickey were promoted to the varsity in the early part of the season.

Coach Richard Dolan, who did an excellent job this year, is looking forward to an even better season next year.

June 16, 1875 The school term closed Friday night with the graduation exercises at the Masonic Hall. The hall was justly crowded with friends, parents, and children.

February 9, 1876 — Grades for last term were released today. The honor roll was 95 % or above.

Various activities, consisting of city pulls, and parties, have been held by the Teenettes. At Christmas, they sent presents to an underprivileged family.

The Live "Y"ers chose as their project the retarded children. They made scrapbooks for them and decorated their Christmas tree.

At the Christmas party, the W. H. Y. group exchanged presents. This group chose the Tuberculosis Sanatorium to receive the products of their projects. The Sigma group sent Valentine favors to the retarded children.

A few of their activities were a skating party and a swimming party.

The Sophomore groups have been very busy and are now planning for their Junior year.

### JUNIOR CLASS OFFICERS

Garry Proehl, vice president; Dave Ross, president; Mary Jane Middleton, secretary; Larry Proehl, treasurer.

First year as upperclassmen proved to contain quite a calendar of events for the class of '56. The "Junior Jig," which brought out some of the Junior talent in dancing and pantomiming — Annual Revue, in which several Juniors made the grade — the Junior class

play, titled "Head in the Clouds" — Junior-Senior Banquet — were just a few of the important events which crowded the Junior agenda.

Now that the Junior year is over, they eagerly await the coming year as a "high and mighty Senior."

**February 16, 1876** The young ladies of the Chillicothe Schools are making arrangements to give two entertainments at Cough's Opera House on the evenings of Thursday and Friday, March 30 and 31. The object of this, we believe, is to secure money in order to add to the adornment and apparatus of the high school.

Amy Matthews is a typical and attractive girl in her teens — and, like so many other teenagers, she is given to daydreaming. Her fertile imagination creates a wonderful, fantastic, idealistic world in which, both in the present and the future, she enjoys wild triumphs over her problems and her snobbish rival.

For a while everything looks pretty hopeless for everyone concerned, including two bewildered boyfriends, a scoffing brother, a wise-cracking girl friend, and two of the most confused parents on record.

But, all turns out better than could be expected — with Amy's photograph in Life Magazine — but only after Amy has come to some sobering realizations about life itself.

**May 10, 1876** The graduating class of 24 has begun to practice their commencement exercises.  
**June 14, 1876** There was a perfect jam at the Opera House last Friday for the High School Commencement. The valedictorian was Bessie Carlisle. Twenty-two students graduated. This is the largest class ever to graduate from the Chillicothe Schools.

## Junior Tri-Hi-Y

## JUNIOR TRI-HI-Y

The thirty-three members of Beta-Tri-Ili-Y have been busy this year with bake sales, dances, parties, educational films, and discussions.

They meet every Wednesday evening at the "Y" with their advisors, Mrs. John Gunning and Miss Katie Scott.

For money-making projects they had two bake sales. They also enjoyed going swimming in Greenfield with the other 'Tri-Hi-Y's.

At Thanksgiving the group divided into teams, and, with the help of the Junior boys, canvassed the town collecting food for five underprivileged families.

Once a month a joint meeting was held with Gamma. During such meetings films were shown and discussions held on subjects of interest to all.

The highlight of the year was the Sweetheart Swirl which was co-sponsored with Gamma and the Junior Hi-Y.

All in all, the girls seemed to have a wonderful time and are looking forward to being together again next year.

## JUNIOR GAMMA TRI-HI-Y

The girls of the Junior Gamma Tri-Hi-Y have had a very successful year. They started off by electing Pam Merrill, president; Judy Darragh, vice-president; Nancy Meeker, secretary; Ruby Cox, treasurer; and Nancy Brown, chaplain. These officers were assisted by their advisors, Mrs. A. E. Bogan and Mrs. Robert Dowler.

This year the club was very proud to be a co-sponsor of the Sweetheart Swirl. It also sponsored a football dance.

As a service project, the girls adopted a teen-age girl confined to the Mount Logan Sanitorium. The members also sponsored bake sales and rummage sales.

Joint meetings with the Beta Chapter were held, during which, the "Y's" theme of the year "Living Together" was carried out by the help of movies and speakers.

The girls all agree that their many activities have kept them pleasantly occupied this year, and they now look forward to their Senior year.

As a service project the boys sent baskets of food to needy families at Thanksgiving and Christmas.

The officers this year were: Gary Schmitt, president; John Shackelford, vice-president; Larry Eberle, secretary; and Jay Wilson, treasurer. Dr. John P. Gunning acted as the advisor.

## Junior Dramatics

The Junior Dramatics Class spent their first class meetings outlining the year's work. Tryouts for the Junior Class Play were held, and a few weeks later, the cast was chosen. The play, with Sally Haynes as the lead, was a big success. Some of the students entertain-

ed at various clubs such as the "Y" Mother-Daughter Banquet and the Lake White Little Theatre Study Club at Waverly. Various scripts that they have been working on are: "June Mad," "Stage Door," "The Man Who Came to Dinner," and "Dosworth."

# Seniors of 1955

## SENIOR CLASS OFFICERS

George Hummel, vice president; Micki Richter, treasurer; John Herrnstein, president; Beverly Barnett, secretary

When our high and mighty Seniors, in the years to come, open up their memory book of their Senior year at C. H. S., they will, no doubt, reminisce a little about: Junior-Senior Prom and all the fun of decorating the gym for the occasion — Junior-Senior Banquet — Vocational Guidance Day at Walnut Street Methodist Church — madness of Hobo Day — rush ordering of pictures, announcements, cards — current topic of the day, "What am I going to do after graduation?" — last minute rush at 8:25

to session rooms — Senior Class Play — the solemn Baccalaureate and Commencement.

Then, after musing for a while over the delightful experiences that happened to them and the wonderful opportunities they were given at C. H. S., the Seniors will close the memory book, with the hope that the underclassmen who followed in their footsteps realized that high school was their "Chance of a Lifetime."

**September 13, 1876** — The Board of Education held a special meeting on September 11 to decide whether or not students should have a half day vacation to attend the county fair. It was decided that they should have Thursday afternoon off, and in case of rain, Friday afternoon.

**December 20, 1876** — Christmas vacation for the schools is to last until January 8, 1877, giving pupils two whole weeks.

**January 10, 1877** — At a special meeting of the Board of Education, Miss Alice Wolfe was employed as an extra teacher for the High School. This was done because there are 133 pupils and 4 teachers, which is not a large number.

**April 4, 1877** — Captain Stone and Mr. Woodrow were elected to the Board of Education on Monday.

## Class Will

While delving through a stack of old books looking for some information to use in writing "The 100 Year Story," I came across a yellowed parchment which stated in bold letters, "The Last Will and Testament of the Senior Class of 1955."

After much study and thought, I decided that this surely could be the only valid document, as you will readily agree as you read the following:

1. Laura Hallstrom leaves one bent and battered piccolo to anyone who wants the thing.
2. Joe Betsch wills his baked potato before each out-of-town game to Larry Gates.
3. To the lucky Biology classes go Charles Heiss's rattlesnakes.

April 11, 1877 — There will be two sets of exams this term. The first at the end of the five weeks, and the second at the end of the term.

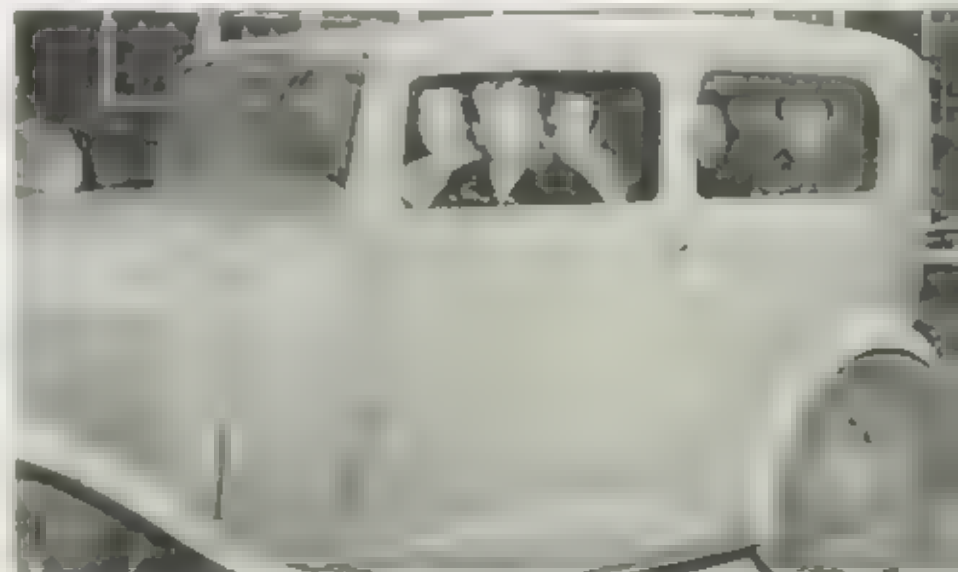

June 13, 1877 — The exams at the public schools are now in progress and will close on Thursday evening with a public exhibition and awarding of certificates to the High School graduates at the Masonic Hall. The valedictorian is Hattie A. Moore and the salutatorian, Lucy A. Foster.

September 12, 1877 — The paper had a good time week from Mr. [unclear], the new superintendent of the public school. Mr. [unclear] is much pleased with his corps of teachers, and thinks he will be able to accomplish good work with them.

"Now — who's going to push?"

Front Row, Left to Right: Marshall Brigner, Kris Baumgardner, Hal Watts.

Herbert Kalness is a self-made businessman who insists that his family must be brought up in the plain traditions. When his daughter becomes engaged to a Harvard man, and his wife has not only ice cream but Harvard men for dinner, Herbert nearly goes out of his mind with rage.

Herbert's home becomes safe for Harvard men only after his family has embarrassed him by embracing his plain tradition literally. The sight of his wife in an old wrapper and supper consisting of Irish stew and apple pie destroys this curmudgeon's resistance.

## Senior Tri-Hi-Y

The Centurettes of '55 met Wednesday nights at the "Y" with their advisors Mrs. John Srigley and Mrs. John Sharrer. Their officers were Judy Finney, president; Joan Jackson, vice-president; June Henry, secretary; Joyce Rice, treasurer; and Ramona Montgomery, chaplain.

As service projects this year the girls addressed envelopes to women voters and decorated nut cups for the Veterans' Hospital.

The club had a Christmas party and

also went caroling to celebrate the Christmas season. Their other activities included a skating party and two covered dish suppers. The club also sponsored the Homecoming Dance, several football and basketball dances, co-sponsored the Junior-Senior Prom.

At their meetings, the girls had a panel discussion on colleges, and movies on Washington, D. C. Their trip to Washington was the climax to a very successful year for the Senior Tri-Hi-Y.

February 6, 1878 — The Board of Education reported that there are 112 pupils in the High School.  
 April 17, 1878 — The question of dress for the young lady graduates of CHS is perplexing the Board of Education, as it has perplexed the parents of former graduates. Some of the colleges require young ladies who take part in Commencement to dress in Calicoes. Why couldn't the Board of Education follow the same course?  
 October 27, 1877 — At the annual celebration of the Olathe Union School District, there are 2056 pupils in school.

Each Wednesday evening, at 7:30, the Senior Hi-Y, assisted by Mr. Jones and Mr. Paul Hydell assemble at the Y.M.C.A. to hold their meeting. As their officers this year, the Seniors elected: John Herrnstein, president; Marshall Miller, vice-president; Bob Rutherford, secretary; and George Hummel, treasurer.

The group has had much fun while carrying on their various activities. They sponsored the first football dance after the Chillicothe-Greenfield preview game

and the Homecoming Dance. With the Senior Tri-Hi-Y, they co-sponsored the Prom and the Senior trip to Washington, D. C.

During these meetings, the Senior Hi-Y members held many important discussions and saw several films concerning sports.

The Seniors enjoyed their high school days and their affiliation with the "Y" and are sorry to see it all come to an end. We wish them good luck in the future.

## Senior Dramatics

The Senior Dramatics group which has been meeting weekly during the sixth period with Mr. Duncan for the past three years has now successfully completed their fourth year. When not rehearsing for special programs, they worked vigorously on such scripts as: "Royal Family," "Silver Whistle," "Outward Bound," "Sabrina Fair," and "Stage Door." Their "Grand Finale" consisted of the Senior Class Play and numerous programs outside high school.

The Senior Class is to be commended on its successes of the year.

**June 12, 1878** — The Board of Education at its meeting last week fixed the tax levy at 5 ¼ mills. There was some discussion on the fence for Eastern Building.

**August 28, 1878** — Pupils coming to be examined for admission into CHS are notified that the exams take place at Central Building, Saturday morning at 9:00. Saturday is the 31st.

**September 4, 1878** — The Board of Education accepted the offer of VanAntwerp, Bagg, and Co., and adopted Ray's Practical and Intellectual Arithmetic.

**October 22, 1878** — All or part of the schools will be dismissed next Friday in order to enable the teachers to attend the Central Ohio Teacher's Association meeting in Dayton.

Raymond Cooper	President

Under the leadership of Raymond Cooper, the Senior Teen-Timers completed another successful year. Every Tuesday night at 8.00 the Carver Community Center was the location for the Teen-Timers meeting. Among some of

the newly created activities were: the "Holy Ball," "All Foo's Dance," and the "Bunny Hop." Special projects for the year included donating Thanksgiving baskets to needy families and making Easter Baskets for the kindergarten children.

The club's yearly activities ended on a happy note with the "Senior Prom," a special event for the senior members of the club.

**June 25, 1879** — The Commencement exercises came off well at the Masonic Hall. The class presented the retiring principal, Mr. Ufford, a Shapley Rifle.

**May 25, 1881** — On Friday last, Mrs. Parker took the Junior Class on a botanizing excursion to Cook's Hill. A bus took them there. After collecting flowers and plants they gathered around their teacher. They analyzed their specimens and then listened to a lecture by Mrs. Parker in the style of Old Plato who walked with his pupils in the "Grove of Academiss." Such instruction as this by far transcends that of the school room or the dry textbook.

**April 5, 1882** — Next Friday evening the HS Literary Society will debate the question "Are women entitled to the elective franchise." Miss Evan Pearson and Mr. George Hicks are the principal debaters. It will be held at the HS Building.

These chemistry laboratory tables were designed by Mr. John A. Smith in 1911 while he taught chemistry at C. H. S.

This year the Science Club, composed of approximately twenty-two members, under the leadership of President Karl Landstrom, met twice a month. The scheduled programs included scientific movies, film strips, scientific demonstrations, and the appearance of guest speakers.

A new step was taken when the Sci-

ence Club became affiliated with Science Clubs of America. In connection with this, the science club members received membership cards and official SCA pins.

All members prepared science projects which were exhibited at the Science Day at Ohio University on April 2, 1955.

### NEW WAY LAUNCHED FOR CHOOSING STAFF MEMBERS

Unlike past years, the staff applicants were put on a competitive basis the first semester. At the end of the semester the new staff members were chosen on the basis of what they had contributed to the paper.

### THREE SPECIAL ISSUES PRINTED

Following the M-B tradition an eight-page, green and red Christmas issue was put into circulation. An Easter issue printed in purple ink on yellow paper welcomed the entrance of Spring.

of news editor, feature editors, and sports editors were Mary Wood, Sarah McPherson and Cynthia Allyn, Marshall Miller and Gary Buehler. Completing the business end of the paper were Mick Richter, business manager; Ann Temple, subscription manager; and Carolyn Schachne, advertising manager.

The subscription campaign was an overwhelming success, eight hundred and seventy-one students and ninety-one exchanges subscribed making the total circulation greater than ever before.

As a parting memorial to the Class of '55 a big six-page, blue and white issue was published.

## Arrow

The 1955 Arrow is bigger and better than ever! The staff has carried out the 100th Anniversary of C. H. S. as the theme this year.

The staff is composed of ten Seniors, four Juniors, and five Sophomores. Some of the members of the staff are Joan Shoemaker and Jackie Story, co-editors; Linda Miller, business manager; Sandra Duffy, technical director; Rowena Perry and Charlie Rowland, artists; Nancy Wright and Jeanne McHugh, typists.

Eight of our Senior staff members received Quill and Scroll awards for service in the Journalism field.

If you should happen to walk into Room 310 during the 8th period you might hear:

Linda, "Any more ads?"

Mr. Wilson, "Who is going to the Gazette tonight?"

Jackie, "Anybody else have their stories finished?"

Susan, "Well, that's where I put it."

Les, "I can't work on my story tonight, I have other things to do!"

Rowena, "Where's the glue?"

From these phrases you can get a fairly clear picture of just how much work goes into the production of our yearbook.

## Quill and Scroll

Thirteen seniors received Quill and Scroll this year as a reward for three years' hard work on the Arrow and Mound Builder.

Any one of them would guarantee that there are quite a few headaches involved in meeting deadlines, but they wouldn't trade their three years on the staff for anything.

## Varsity Football

The Cavaliers started the season with twelve returning lettermen and a new line coach, Paul Paehl, from Lancaster. Their future in the C. O. L. promised no "bed of roses" as they were later to find.

In the first game of the season, the Cavaliers met Greenfield. On the first play from scrimmage, the McClain Tigers scored on a fifty yard run; but the Cavaliers bounced back and beat them 19 to 12.

The Irish from Columbus Aquinas were next on the agenda. Aquinas won 30 to 6.

The following week saw Lancaster, later to be C. O. L. champs, invade Cavalier soil and emerge victor 7 to 0. John Herrnsteln, "The Horse," chented the Gales from another touchdown as he picked up a dropped punt and galloped forty yards for a first and ten.

Going into the fourth period of play the Cavaliers were unable to hold their one point lead over the Newark Wildcats and were defeated 20 to 6.

The Dads saw their boys romp over the Marietta Tigers 31 to 6. Even though the field was a sea of mud, the Cavaliers proved undefeatable.

The Dover Tornadoes handed the Cavaliers their fifth loss of the season. Although the Blue and White staged a great come-back in the second quarter, they were unable to overtake the crimson tide and lost 27 to 14.

The next week Queen Beverly Barnett and her court reigned over the homecoming activities. The Cavaliers fought hard from the starting gun, but were defeated 19 to 12 by the Redskins of Coshocton.

The Cavaliers then traveled to Cambridge for the setting of their best-played game of the year, despite the fact they were beaten 41 to 40.

Eight seniors played their last game for the Blue and White against the Zanesville Blue Devils. The game was played at Herrnsteln Field. The Cavaliers were defeated 30 to 20.

The Cavaliers ended the season with a 2 won, 7 lost record.

At the annual football banquet, tackle Joe Betsch was awarded the sportsmanship trophy, while Larry Gates and Dave Ross were chosen as co-captains for the next year's team.

Twenty-three senior letters and twenty-three freshman letters were awarded.

June 13, 1883 — Commencement is to be held Thursday evening at eight o'clock at Clough's Opera House. They promise to be unusually interesting. It is a class of 12. The Salutatorian is F. Lulu Williams. The Valedictorian is Gladys Butler.

March 19, 1884 — The second term of the public schools closed on Friday, March 28, when the pupils will enjoy a week's vacation. The Board of Education is going to see about giving instructions in vocal music in the public schools.

## HOMECOMING

On the day of homecoming thoughts were dampened by threats of rain, but towards evening, Mr. Moon shoved away the clouds, put on his evening clothes, and presided high above the gala activities.

Preceding the game, the Queen and her Senior Court, in a yellow Mercury convertible and the Junior Court in a bit-tersweet Mercury convertible, were driven around the stadium. From these automobiles, the girls viewed the exciting game in their honor.

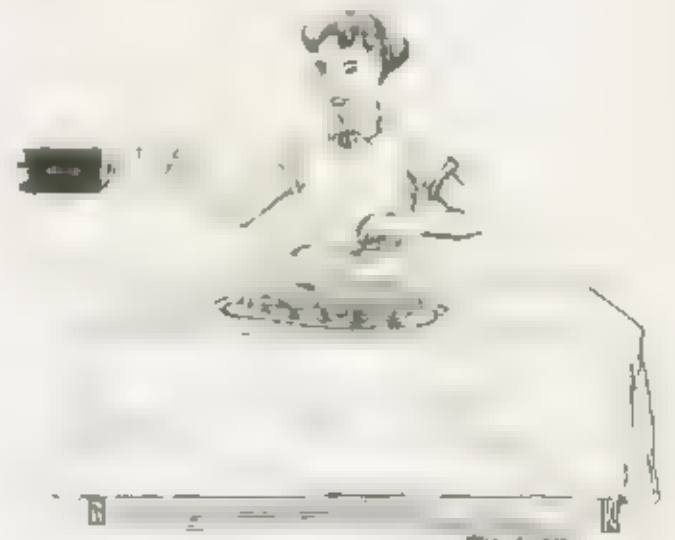

At the half-time, the Queen and her attendants were introduced and escorted on the field as the band played, "A Pret-

ty Girl Is Like a Melody." The drum major, Larry Dixon, presented the Queen and her Court white chrysanthemums with blue and white streamers and topped it off with a kiss for each girl.

To end this glorious affair, the Senior Hi-Y held a dance at Worthington School. One by one the Junior Court, Senior Court, and Queen were introduced and escorted to their places of honor. Marshall Miller, Vice-President of the Hi-Y, crowned the Queen with a tiara of white mums.

Everyone present danced to their heart's content, and all know that was one evening all will remember.

Who could want to forget it?

June 23, 1887 Professor R. Janney of Wilmington was re-elected principal of the HS by the Board of Education.

September 8, 1887 A letter was written to the Editor concerning the schools, teachers, pay, grades, etc.

May 28, 1887 The Board of Education is considering establishing another school in the city.

The 1954-55 Cavalier Basketball team had a very surprising and impressive squad this year. Due to the loss of six lettermen from last year's team, the Cavaliers started the season with new and inexperienced players. Don Gatchell, the

new varsity coach, is congratulated for the fine job of coaching which led his squad to a successful season. The team racked up twelve wins against six losses in regular season play.

Schuler were the only two remaining lettermen from the 1954 team. Herrnstein being the only member of the first five from the 1953-54 squad. The team also consisted of six juniors: Larry Proehl, Tom Goshorn, Bill Heaton, Carl Seymour, Dave Knapp, and Phil Brown, who were members of last year's Reserve Squad. Two sophomores: Charles Oyer and John Irwin, and freshman Gordon Mickey, were brought up to play varsity ball early in the season. The manager of this year's team was Ralph Vest.

In tournament play the Cavaliers reached the quarter finals where they

were ousted again by the Portsmouth Trojans. The Cavaliers defeated Lancaster in the first game 67 to 62, after a brilliant second half comeback. Although the Cavaliers did not reach the finals, they showed a great deal of fight and scrap in the two tournament games played.

At the close of the season John Herrnstein was named on the All-C.O.L. first team and received honorable mention on the Associated Press All-Ohio team.

With nine returning lettermen, the coaching staff is looking toward next year with great enthusiasm.

For every athletic event associated with C. H. S. Mr. Smith has taken personal charge of the faculty men who serve as gatemen and at other various posts. This shows Mr. Harold T. Minshall, Mr. Gilbert Stultz, Mr. Lawrence Lehman, Mr. Fred Shoemaker, Mr. John A. Smith, Mr. J. Vinton Ladd, and Mr. Charles R. Duncan, ready to go to work before a basketball game.

## The Marching Band

C. H. S. can be proud of its smart high-stepping bandmen this year. At Newark and at Marietta the band gave brilliant performances under the leadership of Mr. DeWitt Thornton and his new assistant Mr. Russell Hill. Mr. David Miller, another new face in the music department, read over the loudspeaker specially composed poems elucidating the formations.

Larry Dixon was very outstanding as

drum major.

One of the highlights of our home games was Homecoming with Beverly Barnett crowned as Queen.

The C. H. S. Band was also a big attraction at the Halloween and Christmas parades.

On behalf of the C. H. S. Band at the last home football game, Roger Strauszman and Micki Richman presented a gift to Mr. DeWitt Thornton.

## The Orchestra

For a Tuesday and Thursday at 2 00 P.M., the sounds of strings, woodwinds, brass, and timpani issue forth from the auditorium stage. This is the C.H.S.O. Orchestra, composed of 51 students, perfecting such pieces as "Phantom Regent," "Beethoven's First Symphony" or "Andalucia Suite."

The orchestra, under the direction of Mr. David M. Miller, has played for many school functions. It participated in the following cases: The 1911-12 season, Play and Concert, 1912-13. The orchestra also participated in the Instrumental Concert.

Twenty-eight members of the C. H. S. Orchestra attended the South Central Regional Orchestra held at C. H. S. Of these, five, Sally Counts, Marjorie Lovensheimer, Elinor Evans, Eric Counts and Countie Hurd, were chosen to

attend the Star Oration with gayety, and  
at both Columbus and Cleveland.

Both the orchestra members and C. H. S. Band members enjoyed the annual picnic held at Mound City. At the Band and Orchestra banquet, pins were awarded to the students who have participated in the orchestra for two years.

The entire orchestra journeyed to Wilmington in 1902, where it was called upon to play a program of four pieces. Among them, Beethoven's First Symphony, first and third movements were the pieces that were chosen to be played. This was a new experience for the orchestra members, and the rating of "excellent," which they received, shows the hard work that both the student musicians and the director have put into the orchestra this year.

Next we see a weight lifting gym belonging to Don McNeill, who has just returned from the East after winning the title of "Mr. America."

As we turn into the estate we see James Mallow, of the State Patrol, directing traffic. It must be a gala affair! Arriving at the same time is Mary Jane Mastropolo and her millionaire husband who are in a new limousine bought from Paul Swenson.

Ed meets us at the door and since we are early, he is going to show us around his new home.

He tells us that it was designed by Larry Fannery, assisted by draftsmen John Curtis, Larry French, Duane Fleming, and Charles Lee. The inside has been done by interior decorator Barbara Merritt, assisted by some great artists, Willa Cruse, Lawrence Clem, and James Frey.

We are amazed to learn that all the contracting was done by Robert Meeker, Jerry O'Brien, and Donald Fizer.

There is the doorbell! The first to arrive are newspaper reporters, Jeanne McHugh, Marilyn Hamm, and Joan Shoemaker, who are covering the story of the party.

There is the bell again! Now they are coming in bunches. Mary Barnhart, Pauline Benner, and Joyce Thompson just arrived with their families.

Alice Fagg, Sandra Duffy, and William Arnett are home from college for the occasion. Robert Phillips, the criminal lawyer, and his secretary, Joyce Bowman are here.

Oh! Look over there, Jackie, surrounded by admirers. It's Joan Jackson, the F. B. I. agent, who just got back from Europe. And there is Roger Strausbaugh. I wonder if he brought any of his band along to play for us?
